Te pido un beso, venámelo Yo sé que estás pensando Que por tiempo intentándolo Con esto están lidándolo Sabe que tu corazón conmigo te hace bánbame Y sabe que sabeo hasta buscando de mi bánbame En prueba de mi boca para ver cómo te sabes Quiero, quiero, quiero ver cuánto amor a ti te cares Yo no tengo prisa y yo me quiero dar el viaje Me besé molendo Me besé el arrojado 0 https://www.tiktok.com/@my_paw_trio/video/7155852235749035269 Is a German Shepherd a good family dog? Yes, German Shepherds can make excellent family dogs. They are loyal, intelligent, and highly trainable. They are also known to be good with children when properly socialized and trained. German Shepherds are protective and make great watchdogs, making them a good choice for families looking for a versatile and loving pet. However, they require a lot of exercise and mental stimulation to keep them happy and healthy. Why are German Shepherds so special? German Shepherds are special for a variety of reasons, including their intelligence, loyalty, versatility, and trainability. They are

often used as working dogs in various capacities, including as police and military dogs, search and rescue dogs, therapy dogs, and service dogs. They are known for their ability to quickly learn and perform a wide range of tasks and commands. Additionally, German Shepherds are highly protective of their families and make excellent guard dogs. They are also very social and make great companions for active individuals or families. Overall, German Shepherds are a versatile and highly esteemed breed that excel in many different roles. Is German Shepherd the smartest dog? German Shepherds are often considered one of the smartest dog breeds. They are known for their intelligence, trainability, and ability to learn and understand commands quickly. However, there are many other dog breeds that are also highly intelligent, such as Border Collies, Poodles, and Golden Retrievers. Intelligence can vary greatly among individual dogs within a breed, so it is important to consider the specific traits and temperament of the dog in question rather than relying solely on breed stereotypes. Is it good to pet German Shepherd? Yes, it is generally safe and recommended to pet a German Shepherd. German Shepherds are known to be loyal, affectionate, and friendly dogs, and many enjoy the physical contact and attention from their owners or other people. However, it's always important to approach any dog with caution and ask for permission from the owner before petting them, as every dog has their own individual comfort levels and boundaries.
